CITY OF MEDFORD

SPECIAL EVENT POLICY INFORMATION

As affirmed by the City Council and pursuant to the authority vested in the City Manager by the City of Medford Charter, Chapter V, Section 20,(3),(e), which states "...the City Manager shall have general supervision over all city property.", the following policy is established to direct the application and granting for special event permits.

1. It shall be the policy of the City to allow certain uses of city-owned property where the City Manager has determined that the proposed use would not have an adverse impact on City operations or the general public.
2. The City Manager, in permitting such use, may establish any conditions he deems appropriate.
3. Use of City property by public bodies, including all boards, committees and commissions of the City and other governmental entities must, of course, be given priority.
4. Subject to the prior and superior rights of public bodies, any person, association or organization may apply for use of City property. All requests will be considered on a "first-come" basis.
5. All City property shall be returned to original condition, including the replacement of equipment and the disposal of trash.
6. City Manager's staff will determine the "event type" based on the information presented in the Special Event Permit Request based on the following criteria:

SMALL EVENT – is defined as an event that has a nominal affect on city operations or the general public, such as block parties (not requiring a street closure), special parking requests.

MEDIUM EVENT – is defined as an event that has a minor affect on city operations or the general public, such as parades or street closure requests.

LARGE EVENT – is defined as an event that has a major affect on city operations or the general public, such as multiple street closures (for example, the Pear Blossom Festival, Medford Cruise, Art in Bloom, etc.) Large events will require applicant attendance with appropriate City staff at event preparation and planning meetings. Applicant will also be required to provide an adequate number of volunteers to assist with the event.

7. Depending on the "event type" submission deadline of Special Event Permit Request must be made as follows:

SMALL EVENT – two weeks prior to event.

MEDIUM EVENT – two months prior to event

LARGE EVENT – six months prior to event

8. The applicant may also be required to obtain other permits as currently required or approvals from other governmental entities.
