

Who: Medford Parks and Recreation Department

What: Ground Breaking Ceremony for Lone Pine Park, a public facility

Where/When: Lone Pine Elementary School (kindergarten playground area)  
October 27, 2006 1:40pm

Why: The 3.56 acre Lone Pine Park property was purchased in 1994. Public input sessions shortly followed and in 1996 Galbraith and Associates created a preliminary masterplan. In 1996 pathways and open lawn area were installed and the site sat relatively undeveloped until now. The masterplan has been revamped to include modern recreational and regional needs and LTM won the competitive bid award.

The Parks and Recreation Commission continues to work with the Parks and Recreation Department to provide quality recreational amenities and is pleased to be able to be present at the first shovel.

Press: Dave Ross, Chief estimator for LTM and Merlin McDaniel, MPRD Project Manager will be on site if you have questions.
