Instructions for Residential Rental Registration Form

The City of Medford has established a Residential Rental Registration program to help enhance the quality of life, and ensure the safety of its citizens. The purpose of this program is to educate property owners, landlords and tenants as to the responsibilities and the rights of each, to decrease the number of code violations, and to assist in developing and updating a city-wide database to identify housing inventories throughout the city. The program is also designed to assist the city's emergency services and public safety agencies in notifying property owners about any potentially hazardous situations and to prevent such situations from occurring in the future. It is the intent of the City of Medford in establishing this program to protect its citizens, establish and maintain a safe and clean environment in our community and to assist city and county planning commissions in determining future growth needs in our community.

- A residential rental registration form must be completed for each rental unit used as a home or residence; including but not limited to: a single family home, a room, an accessory dwelling unit, an apartment, or as otherwise defined under the Oregon Landlord Tenant Act, ORS Chapter 90. (Example: renting a room in your home)
- A residential rental registration form must be completed as of the date the property became a rental. Once completed and fees paid, the property owner will be issued a Residential Rental License.
- A Residential Rental License is not transferable and is issued to a specific person or firm. If the rental property is sold, a new rental license application and registration form must be submitted by the new owner within seven (7) days of the sale.
- The Residential Rental License must be renewed annually. A renewal notice will be sent 30 days before the annual renewal date.
- It is the Property Owner's, or their agent's, responsibility to notify the Finance Department regarding any changes in your mailing address. Notification of a change of address must be done in writing; however, e-mail notification will be accepted at finance@ci.medford.or.us.
- Your map/tax lot number can be found on your property tax statement. You may also find it by going to the "Front Counter Application" at www.jacksoncounty.org or by contacting the County Assessor's Office.
- If you own more than one unit at the same property, the additional unit addresses must be provided as noted on the form or by attaching a separate page listing all required information.
- For percentage of ownership, if you are the sole owner, list 100%. If you are in a partnership for the property, please put down the percentage of ownership and list the name of the other property owner(s).
- A Residential Rental License will be issued in lieu of a business license.
- The fees for a Residential Rental License are as follows:
 1. \$0.00 base fee for landlords with 1 unit
 2. \$40.00 base fee plus \$1.00 per unit for those landlords with more than 1 units.
- Failure to register or annually renew the Residential Rental License is a citable offense.
