NOTICE OF INTENT TO AWARD

Project No: T-271
Project Name: Traffic Signal Controller and Central Traffic Management Software

You are hereby notified that the City of Medford intends to award a contract for traffic signal controllers and a contract for central traffic management software to the following firm which is the highest ranked firm by the evaluation committee:

Econolite Systems

To schedule a debriefing, please call Peter Mackprang at (541) 774-2121. If you wish to protest this award, you must submit a written protest which must be received in this office no later than seven days from the date of this notice. In order to file a protest, you must claim you are next in line for award of the contract and you must specify the grounds upon which the protest is based.

This notice does not constitute a contract. The City will award the contracts after the Notice of Intent to Award letter has been posted.

Sincerely,

Alex Georgevitch
Deputy Public Works Director
