Re: CP-14-114 Urban Growth Boundary Amendment

ATTN: Joe Slaughter,

The areas identified as MD-1, MD-2, MD-6, MD-7, MD-8, and MD-9 are within the service area of Rogue Valley Sewer Services. Sewer facilities with adequate capacity are available to serve the proposed densities.

The proposed expansion of the UGB will have no adverse impacts on RVSS service.

Sincerely,

Carl Tappert
