Subject: MD-6 Exclusion Letter

Hello Eli- want to give you a heads up on MD-6 in case the issue comes up at the study session. Some people who live on Starlite Lane do not want to come into the UGB. So, our planner, Clark Stevens, spoke to the Medford City Planning staff regarding the exclusion of residents on Starlite. The planning staff is in agreement with excluding most of Starlite if that is what the City Council decides. Clark has submitted this proposal with/ map to the council. Please let me know if for some reason you can't open the document.

This exclusion of Starlite residents should not have any effect on the rest of MD-6 getting into the UGB.

If you have questions, please let us know.

Thanks..... Bonnie & Mike Malepsy
