200 S. Ivy Street
Medford, OR 97501

Dear Mr. Slaughter

Because we will be unable to attend the public hearing on the Urban Growth Boundary, please consider this correspondence as our testimony to be entered into the record.

Our property, located at 2500 Finley Lane is, for the most part, an undeveloped oasis surrounded by subdivisions, mobile home parks, and rental storage units. We are currently in the city's Urban Reserve area and would like to be given every consideration to be included in any planned expansion of the Urban Growth Boundary.

This is ideal property for adoption into the Medford Urban Growth Boundary. We are definitely in favor of having these nine (9) plus acres included in any planned annexation by the city of Medford.

Sincerely

Ed and JoAnn Houghton
