- A. Lie map flat facing up.
- B. Flip the map over (the top right corner is now the top left corner). Using the width of an 8 1/2 x 11 piece of paper as a guide, start with the left side of the map and fold the map over as wide as the guide (8 1/2 inches).
- C. Repeat folding, no wider than the first fold (8 1/2 inches), and continue in an accordion style until you no longer have any folds left to make.
- D. Fold the accordion map in half by folding the top edge behind the bottom edge so that the lower right corner of the map ends up on top.
