Hi Everyone,

I've attached a wonderful photo taken by our own Michael D. Davis of last Saturday's ribbon-cutting event for the all-abilities playground at Fichtner-Mainwaring Park. It was a glorious day, and the new amenity is a terrific addition to an already well-loved park.

Many thanks to the slew of staff members who worked the event and particularly those who came out on a non-work day! Kudos to Tim Stevens for helping manage this time-sensitive project to a successful conclusion.

Have a great week!

rr
