

PRE-REGISTRATION IS REQUIRED FOR ALL CLASSES UNLESS NOTED OTHERWISE. DETAILS AT COYOTETRAILS.ORG
 Register early to secure your spot and ensure class is not cancelled due to low registration.

- Classes are held at the Coyote Trails Nature Center (CTNC), 2931 S. Pacific Hwy, Medford, OR 97501 (located just behind the Harry and David field on Lowry Lane) unless noted otherwise.
- Questions? Call Lynne, 541-772-1390, or email office@coyotetrails.org
- Visit the Coyote Trails Nature Center museum and lending library 11 am – 4 pm Monday-Friday. The nature center’s pollinator garden, monarch waystations, and hiking trails are accessible dawn to dusk every day.
- Coyote Trails — recipient of the prestigious Safety 1st designation from Markel — is a nonprofit organization dedicated to providing hands-on, nature connection experiences for people of all ages. Contributions are appreciated.

COYOTE PUPS PRESCHOOL

This outdoor preschool employs children’s natural instinct to explore and addresses the growing evidence that being outside lowers the risk of obesity, improves balance and agility, reduces stress, aids healing and improves self-regulation. The program will include opening and closing circle, sit spot, nature skills with senses, drawing, story-time, games, and animal and plant activities. The school’s outdoor dome provides the added bonus of a magical shelter when the need arises or an activity that may be enhanced by an indoor setting. *Parent Day/Visits: every Friday from 11am-Noon.*

- Ages 3-5 (*must be potty-trained*)
- Date: Mon-Fri, Sept 12, 2016-Jun 2, 2017
- Time: 9am-Noon
- Location: CT Nature Center
- Tuition: \$4950 (*payment plan available*)

OUTDOOR ADVENTURE PROGRAM

This program is for kids who want to build their relationship with the outdoors. We focus on Nature Connection through traditional living skills such as friction fire, shelter building, tracking, storytelling and so much more. Our goal is for the students to gain a relationship with the skills while feeling comfortable in their natural world; to gain a confidence in the ever-changing environment of nature; to feel safe with an understanding of not only how to remain alive in the wilderness, but how to live in harmony with the Earth and each other.

- This season, we are providing two separate series – Monday Series & Thursday Series. *Sign your student up for one or both!*
- Ages 5-11, Mondays @ CT Nature Center (Medford), Sept 26-Dec 12
- Ages 7-11, Thursdays @ CT Wilderness Campus (Ashland), Sept 22-Dec 15
- Time: 1:30-4:30pm (Sign-in begins at 1:15)
- Tuition: \$350 for each series (\$700 for both)

RETURNING TO OUR ROOTS: HEALING THROUGH NATURE — MONDAY SERIES

Feel depressed, stuck in a rut? Wondering what else there is to life or what you are missing? Maybe you are recovering from the loss of a loved one or going through some major change in your life. Maybe you just need to get clear about where you are going and what your true path is. This is an active group based in Nature and most of this will be outside. Learn techniques for self-awareness and staying present, journaling, drawing, and thought tracking, to create a venue for clarity regarding our path and the root of our choices. We offer new and different skills so you can be in charge of your own life and make choices based on your personal path. It is guided by our instructors but only you can determine the outcome.

- Ages: 18+
- Dates: Oct 3, 10, 17, 24
- Time: 5:30-7pm
- Tuition: \$60 for series of 4 classes

PRIMITIVE CRAFTS

Have you ever made a cattail doll? What have you made out of a pine cone? If you are looking to enjoy a day outside learning new crafts, then this is a class for you! Come explore the landscape and gather your own materials that you will use to make fun and creative artwork to take home.

- Ages: 9-13
- Date: Oct 9
- Time: 1-3pm
- Location: CT Nature Center
- Tuition: \$20

NATURE DETECTIVES

Who ate this plant? Who slept here? Who walked here? Have you found yourself wanting to know more about the animals in your backyard? If you have, then this is the class that will get you out exploring the grounds looking for clues, and ultimately solving many nature mysteries. Are you up for the challenge of becoming a Nature Detective?

- Ages: 7-9
- Date: Oct 15
- Time: 1-3pm
- Location: CT Nature Center
- Tuition: \$20

MOUNTAIN EXPLORER

Have you ever wanted to be an Explorer? Grab your packs and come spend the day hiking, exploring and navigating through the wilderness. This adventure will be filled with team challenges and obstacles along the way. There is plenty to see and discover in the mountains of Southern Oregon!

- Ages: 10-12
- Date: Nov 5
- Time: 10am-3pm
- Location: CT Wilderness Campus (Ashland)
- Tuition: \$30

FAMILY ONE-ON-ONE MENTORING AVAILABLE

- Please contact our office to discuss details.
