

PARTNER SPOTLIGHT ROGUE VALLEY BMX

Rogue Valley BMX is an all-volunteer operated non-profit organization that maintains a nationally sanctioned USA BMX track within Bear Creek Park along Highland Drive.

Medford's facility has hosted BMX racing events for over 20 years. Since the addition of the sport to the Olympic games, BMX racing has become a respected discipline all over the world. Last season, several local athletes were invited to train at the U.S. Olympic Training Center in Chula Vista, Calif., and colleges now recruit for teams across the country. It is a growing sport and NO one sits the bench!

Above all, BMX is fun for the entire family. Choose your level of participation ... Get involved on the local level and come when you want, check out other tracks in the state in pursuit of a state title, or travel the country and race the national circuit. Locally, we host many events throughout the season including Race for Life, Bob Warnicke Scholarship Race, Olympic Day, a state qualifier, and more.

The track operates from March to November, weather depending. Weekly race events are held Wednesday nights with sign-ups/practice from 5-6pm, and on Sunday afternoons with sign-ups/practice from 1-2pm, racing to follow.

For current track info, find us on Facebook or visit Roguevalleybmx.com.

RIDING The track is open to the public during non-sanctioned events, free of charge, when weather permits. Bike helmets required.

RACING All ages and abilities welcomed. All you need to get started is a bike, helmet, long sleeves, and pants.

A USABMX membership is required to race at any sanctioned event and is available trackside. One-day free trials are available; only \$30 for a 30-day trial, or \$60 for a yearly membership. To learn more about memberships check out USABMX.com.

RACE SCHEDULE

**Wednesdays:
Register 5-6 pm**

**Sundays:
Register 1-2 pm**

**Race to follow registration
*USABMX membership required to race**
