

**NOTICE TO CONTRACTORS**  
**T-271**  
**Traffic Signal Controllers and Central Traffic Control System**  
**City of Medford, Oregon**

Sealed proposals addressed to Cory Crebbin, Public Works Director, City of Medford, Oregon, endorsed “Traffic Signal Controllers and Central Traffic Control System” will be received at the office of the Public Works Director, 200 S. Ivy Street, Medford, OR 97501, until 2:00 p.m. local time on Tuesday, June 23, 2020, and thereafter will be opened publicly and read and will then be referred to the City Council.

This project includes providing traffic signal controllers and software as needed for approximately ten (10) years and providing and installing a traffic signal central system to manage all traffic signals in the city of Medford.

Project Manager: Peter Mackprang, Email: [peter.mackprang@cityofmedford.org](mailto:peter.mackprang@cityofmedford.org)

A proposal may be obtained starting Tuesday, June 2, 2020 through BidSync at <https://www.bidsync.com/bidsync-cas/> or requested through the City of Medford website at <http://www.cityofmedford.org>.

The City of Medford may reject any proposal not in compliance with all prescribed procedures and requirements, and may reject for good cause any or all proposals upon a finding of the agency that it is in the public interest to do so.

Neither the contractor nor his subcontractors will need an asbestos abatement license to perform the work set forth under this notice.

The City of Medford programs, services and activities are open to all persons without regard to race, sex, age, handicap, religion, ethnic background or national origin. For further information about this equal opportunity policy, contact the Human Resources Office in the City of Medford, (541) 774-2010. For questions regarding this proposal, contact the Medford Engineering Division, (541) 774-2100.

CITY OF MEDFORD, OREGON
